Monster Hunter Nemesis Audiobook by Larry Correia ...

Correia hasn't not win any literary awards for his prose (at least not from the over-cultured classes of literary fart sniffers), but he's going to win the award that matters most: eyes on pages and dollars in the bank. Monster Hunter Nemesis is the fifth installment in the Monster Hunter International series, and like others in the series, the story can stand alone (although it does tie in to an arc that connects the entire series). Nemesis turns to the infamous Agent Franks, a reoccurring ...
