## **Multitude: War and Democracy in the Age of Empire - Wikipedia**

War has always been incompatible with democracy. Traditionally, democracy has been suspended during wartime and power confided temporarily in a strong central authority to confront the crisis. When today the state of war is not only global in scale but also long-lasting, with no end in sight, then the suspension of democracy also becomes indefinite or even permanent.

### **Multitude : War and Democracy in the Age of Empire by ...**

In their sequel Multitude: War and Democracy in the Age of Empire they still refrain from a clear definition of the concept but approach the concept through mediation of a host of "contemporary" phenomena, most importantly the new type of postmodern war they postulate and the history of post-WWII resistance movements. It remains a rather vague concept which is assigned a revolutionary potential without much theoretical substantiation apart from a generic potential of love.
