In my experience, many accounting professors don't grade your homework on correctness. Even if they do, you made an honest attempt and your homework grade will not make-or-break your class grade. Your exam grades will. Back when I was a little less wise, I never read anything before class. In my freshman year of college, I never looked at any ...

How I stopped failing my Accounting Exams « HowToStudy Blog

Income Statement Example. Here is an example of how to prepare an income statement from Paul's adjusted trial balance in our earlier accounting cycle examples. Single Step Income Statement. As you can see, this example income statement is a single-step statement because it only lists expenses in one main category.
