Hi, I'm new to the site here. I found you by searching desperately online for anything that will help me get past math. I have already passed the other tests, and only math stands in my way of achieving my GED. I'll be very honest here. The math flat out scares me. I'm 44 years old and haven't been a student for 20 plus years.

Have you tried the new GED Ready online practice tests ...
