understanding (Ganske, 1981). This Science Notebook is a tool that students can use to achieve this goal. I would like to share some of the features of this Science Notebook with you before you begin teaching. The Cornell Note-Taking System First, you will notice that the pages in the Science Notebook are arranged in two columns.

Science Notebook - Teacher Edition

One of the benefits of science notebooks is the bond students develop with them. If a student cares about her notebook, she is more likely to care about the science thinking that goes into it. It's important for students to forge a real relationship with their science notebook. It's not a textbook or a handout given by the teacher.
