Google Books will remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page.

Over Here The First World

More than a chronicle of the war years, Over Here uses the record of America's experience in the Great War as a prism through which to view early twentieth century American society. The ways in which America mobilized for the war, chose to fight it, and then went about the business of enshrining it in memory all indicate important aspects of enduring American character.

Over Here - David M. Kennedy - Oxford University Press

The Great War of 1914-1918 confronted the United States with one of the most wrenching crises in the nation's history. It also left a residue of disruption and disillusion that spawned an even more ruinous conflict scarcely a generation later. Over Here is the single-most comprehensive discussion of the impact of World War I on American society.

This book is the 25 th anniversary edition of Kennedy's 1980 original book, exploring the domestic American experience of World War I. This new edition, with a new afterward written by Kennedy, aims to re-examine the issues raised in Over Here in light of recent developments in American foreign policy.

Book Review: Over Here: The First World War and American ...

A broad, vigorous, cohesive interpretation, by a Stanford historian, of the effects of World War I on the US. First and perhaps foremost, the progressives' expectations crumbled: initially opposed to American involvement, they succumbed to ""the endemic progressive disposition to view events positively"" and sought to make the war an instrument for social and economic reform.
