Power sharing, mostly understood as including political opponents in a joint executive coalition government, is today a dominant approach to solving conflict. Almost as a panacea it has been introduced in numerous war-affected countries and is often recommended as a political solution to overcome deep divisions between groups.

Power sharing, peace and democracy: Any obvious ...

Based on the conceptual distinction between short-term peace-making and long-term peace-building that incorporates democracy promotion as an essential component, this article argues that peace-making and democracy promotion often constitute a conflictual relationship when external actors impose a particular set of institutional arrangements - namely, power-sharing agreements - in order to end civil war as quickly as possible.

Power-sharing and democracy promotion in post-civil war ...

sharing" features new approaches to electoral reform, like the Canadian Citizens Assemblies and referendums.

Smashwords - Peace-making Power-sharing. - a book by ...

The power-sharing agreement calls for the new government to make peace with rebel groups within six months. Hamdok said the government hopes for a "peace dividend" that would bring the military budget down from 70-80% of state spending to no more than 20%, with the rest devoted to economic development.
