Percent Quiz And Answer Key

You always put 100 underneath the

Get Free Percent Quiz And Answer Key

percent, so we leave it as is, which leaves only the top left corner blank. This is where we'll put our answer. Now simply multiply the two corner numbers that are NOT 100. In this case, it's 10×50 . That gives us 500. Now multiply this by the remaining corner, or 100, to get a final answer of 5.
