What is "Pet Trading"? In the most basic terms, trading is when one Neopet is swapped for another. Unlike Item trading, which takes place at the Mystery Island Trading Post , there's no official system for advertising pets you would like to trade; finding someone who owns the Neopet of your dreams, and likes one of your pets enough to swap, has to be done through posts on the Neopian Pound Neoboard .

Rare pets can also be rare finds on the AH, forcing you to pay whatever the seller is asking (and the prices can be outrageous). Therefore, knowing the average auction price for your pet is a big help. Know your pet's worth - You can use addones, like Auctioneer to learn the average auction prices on your server for most tradable pets. Reference these prices often to help you determine whether you're getting a good deal or whether you're being taken to the cleaners.
