Picketts Charge In History And

Pickett's Charge was an infantry assault ordered by Confederate Gen. Robert E. Lee against Maj. Gen. George G. Meade's Union positions on July 3, 1863, the last day of the Battle of Gettysburg in the state of Pennsylvania during the American Civil War. Its futility was predicted by the charge's commander, Lt. Gen. James Longstreet, and it was arguably an avoidable mistake from which the Southern war effort never fully recovered militarily or psychologically. The farthest point reached by the att

Pickett's Charge - Wikipedia

If, as many have argued, the Civil War is the most crucial moment in our national life and Gettysburg its turning point, then the climax of the climax, the central moment of our history, must

Pickett's Charge in History and Memory book by Carol Reardon

Students of history, official and amateur, will enjoy and profit from this thoughtful book. Using Pickett's Charge as an example, Prof Reardon examines how history is written and rewritten. She examines how first hand accounts can be useful, and inaccurate. She examines how highly charged events can take on a mythic quality that often belie the truth.
