Poststructuralism & International Relations Bringing the ...

Edkins argues that, contrary to the opinions of their detractors, the poststructuralists are concerned with the big questions of international politics: it is precisely their work that analyzes the political and explains the processes of depoliticization and technologization. Paying particular attention to notions of the subject and subjectivity in relation to the political, and to the relationship between ideology and social reality, Edkins explores, in short, why Foucault and others ...

Poststructural/postmodern international relations (IR) is a mode of critical thinking and analysis that joined disciplinary conversations during the 1980s and, despite the dismissive reception it has initially faced, it is a vibrant and expanding area of research within the field today.

Poststructuralism and Postmodernism in International Relations

The boundaries imposed to the study of international relations have been self-perpetuated by the supremacy of traditional positivist doctrines, such as realism or liberalism. Yet, as Gregory asserts, "everyday life is ideological in an ontological sense; that which we know and which seems true depends on our sense of what is real" (1989 ...

Why Poststructuralism Is Central to the Study of ...

Poststructuralism is an International Relations (IR) theory that entered the domain of Security Studies during the Second Cold War. During this period, poststructuralists engaged with power, security, the militarization of the superpower relationship, and the dangers that the nuclear condition was believed to entail.

Poststructuralism & International Relations: Bringing the ...

Post-structuralism is the literary and philosophical work that both builds upon and rejects ideas within structuralism, the intellectual project that preceded it. Though post-structuralists all present different critiques of structuralism, common themes among them include the rejection of the self-sufficiency of structuralism, as well as an interrogation of the binary oppositions that ...

Post-structuralism - Wikipedia

This chapter examines how and why poststructuralism engaged International Relations (IR) from the 1980s to today. It begins by analysing the interdisciplinary context of social and political theory from which poststructuralism emerged, along with the misconceptions evident in the reception of the poststructuralist approach among mainstream theorists.
