### Products Liability and Safety, Cases and Materials, 7th ...

George Priest argued that modern American products liability law was born as enterprise liability incarnate and consequently ran amok in a nightmare of unlimited liability. Gary Schwartz countered that product liability law strict in name but fault-based in fact. Strict products liability was a revolution in rhetoric alone.

### Strict Product Liability (Video) - The Business Professor

Professor Owen is a leading products liability scholar and this book is the culmination of more than thirty years of work in this area. The book is well written and provides a practical, authoritative and comprehensive treatment of modern products liability law. I liked the book's organization and it is easy to find any topic I was looking for.

sion of the strict liability provision of the Restatement (Second) of Torts: Products Liability (hereinafter, the Restatement (Second) section 402A), which is based on consumer expectations as the standard of liability. The Reporters believe that consumer expectations as a test of liability is too vague and open-ended, and that it has bred con ...

### The Unreasonably Unsafe Product and Strict Liability

Product liability is the area of law in which manufacturers, distributors, suppliers, retailers, and others who make products available to the public are held responsible for the injuries those products cause. Although the word "product" has broad connotations, product liability as an area of law is traditionally limited to products in the form of tangible personal property.

### Product liability - Wikipedia

Thirty years after the entry into force of the Directive on liability for defective products (Council Directive 85/374/EEC), and in the light of the threat to user safety posed by consumer goods that make use of new technologies, it is essential to assess and determine whether the Directive remains an adequate legal response to the phenomenon of products brought to market that fail to ensure ...

### European Product Liability edited by Piotr Machnikowski

Marshall S. Shapo, the Frederic P. Vose Professor at Northwestern University School of Law, is a nationally recognized authority on torts and products liability law. He received an AB, summa cum laude, and LLB, magna cum laude, from the University of Miami, where he was first in his class and editor-in-chief of the University of Miami Law Review. His graduate degrees are an AM in history and an SJD, both from Harvard.

### Marshall S. Shapo, Faculty & Research: Northwestern ...

The course will also cover what companies must do to promote product safety and avoid potential civil and criminal liability. This course provides the perspective of a professor experienced in international product liability law who managed high-exposure litigation and advised clients about liability prevention during product development.
