Urban space (Piazza della Signoria, Florence) A public space is a place that is generally open and accessible to people. Roads (including the pavement), public squares, parks and beaches are typically considered public space. To a limited extent, government buildings which are open to the public, such as public libraries are public spaces, although they tend to have restricted areas and greater limits upon use.

Public space - Wikipedia

Public Places - Urban Spaces is a holistic guide to the many complex and interacting dimensions of urban design. The discussion moves systematically through ideas, theories, research and practice of urban design from a wide range of sources. It gradually builds the concepts one upon the other towards a total view of the subject.

Well-designed and maintained public spaces inspire us to get outside and enjoy the urban environment. With support from our partners, DSA implements a steady stream of events, art installations and improvement projects within downtown parks and other public spaces. Each of these projects depends on active public-private collaboration.
