The Scottish Certificate of Education (or SCE) was a Scottish secondary education certificate, used in schools and sixth form institutions, from 1962 until 1999. It replaced the older Junior Secondary Certificate (JSC) and the Scottish Leaving Certificate (SLC), and it was the Scottish equivalent of the General Certificate of Education (or GCE), used in England, Wales and Northern Ireland.

## **Scottish Certificate of Education - Wikipedia**

Physics Education, 11, 2, 67-68, Mar 76 Compares the mean grades attained by physics students entering Scottish universities on the basis of passes at the higher grade of the Scottish certificate of education with those students who had recorded passes at the advanced level of the general certificate of education.
