SBIR/STTR Phase I awards are generally \$50,000 - \$250,000 for 6 months (SBIR) or 1 year (STTR). Phase II. The objective of Phase II is to continue the R/R&D efforts initiated in Phase I. Funding is based on the results achieved in Phase I and the scientific and technical merit and commercial potential of the project proposed in Phase II.

About | SBIR.gov

Now that you've received an SBIR award, it's time to address those accounting system requirements. The key to demonstrating an acceptable accounting system to a government auditor begins with the ability to segregate between direct, indirect and unallowable costs in your general ledger. Additionally, you will need to produce accurate job cost reports and demonstrate..

SBIR 101-2: Minimum Accounting System Requirements ...

No SBIR funds support this phase. The small business must find funding in the private sector or secure it from other non-SBIR Federal Agency funds that can fund continued development. The Small Business Technology Transfer program, or STTR, came later and was modeled after the SBIR program.
