Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.

### **Google**

If there is any difference between a lathe manual and a mill manual for Mastercam, 8-1-1, he needs the lathe section. He will happily take both if they are for Mastercam 8.1.1, I helped him unload the machine recently when it was delivered and I recall that it has a Yasnac LX-1 control system rather than Fanuc.
