GMC Sierra auto to manual swap

Hey I'm new to all this and have post this a couple other place on here. I appoligize but I can't figure out how to delete them. But hopefully this is in the right place. But anyways I'm getting ready to do a auto to manual swap in my 05 5.3 4x4 silverado, and I'm trying to get any info that I can...

05 5.3 chevy silverado. Automatic to manual transmission swap.

Everyone Ive seen swap in the T56 has taken them back out and replaced them with the auto again because the manuals just dont hold up in a silverado. Keep in mind too just by putting a 6speed manual from a comaro in your SS wont make it shift and drive like a comaro.

Manual Conversion - The Chevrolet Silverado SS and GM

...

First off, i searched and didnt find anything, and i didnt know where else to put this. I have a 2000 2500 with the 6.0L, i was wondering how much money and work if it to put in a 5 or 6 speed manual transmission. the hardest thing i can think of would be running all the lines for the clutch...

Auto to manual conversion | GMC Truck Forum

What all it takes to swap an automatic transmission over to a manual transmission in a 1973-1987 GM truck, k5, suburban. Got questions or need more vids? just ask. Truck in vid is a 1977 K10

...

anyone might have insight on converting their push button 4WD to manual. I am sick and tired of dealing with the electronics and have invested thousands into the system replacing every component several times over and it is still unreliable.

Converting Push Button 4WD to Manual??? | PlowSite

04-24-09 08:15 PM - Post# 1684497 Hi all I have been having trouble with transmissions for some time now and am considering doing a swap to a manual. I have found a 4speed in a 88 that I assume will fit my truck, but bolting up the tranny is the easy part.

Automatic to Manual Swap?? - Chevy Message Forum ...

I did a manual conversion on my 1997 R** 2500 cummins 2wd. I would have to think most of the swap would be similar to this. Finding a suitable donor rig is critical. Since so many R** cummins trucks came with the NV4500 manual trans, this was easy to do.

Manual Trans Swap - Silverado Sierra

But what do you have to do with a Manual to Auto trans swap? Driveshaft, flexplate, converter, trans, yoke? It'd be a TH350, or a TH400. Yes, I can drive a manual transmission. But I am wanting to have an auto. Please don't tell me "Just find an auto transmission truck and buy it instead".

Manual to Auto swap? - 73-87ChevyTrucks

hello, my silverado has got 5th manual gearbox its call nv3500, i want to swap a automatic transmission, like 4le60e. but if i swap to orginally style, i need a lot of parts,cluster,steering wheel body, maybe a new electronic control unit...

manual gearbox swap to automatic? | GMC Truck Forum

OS - 12216215 2002 Silverado. 4L60E to Manual Trans swap. Did a bench tune for the customer. Set the trans from 4L60E to Manual. Customer is getting a no start. He is telling me the truck thinks its in gear. Is it not starting because because of a lack of neutral safety switch on the clutch pedal? Will setting the PRNDL to none resolve this?

PRNDL need Disabled for auto to manual swap?

Michael, welcome to the site. The hydraulic set up is the way to go. It is really best to have a donor truck if at all possible. There are several threads on this swap, just use the search function. If your SM465/205 is from a manual linkage you are going to need a hydraulic bell housing as well.
