Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Sixteenth Century Europe Expansion And

Download Free Sixteenth Century Europe Expansion And Conflict Palgrave History Of Europe

The 16th century was a period of vigorous economic expansion. This expansion in turn played a major role in the many other transformations—social, political, and cultural—of the early modern age. By 1500 the population in most areas of Europe was increasing after two centuries of decline or stagnation. The bonds of commerce within Europe tightened, and the “wheels of commerce” (in the phrase of the 20th-century French historian Fernand Braudel) spun ever faster.
