There is nothing wrong with writing down some of the things you may want to say to someone. This is even more important when speaking in a meeting or in front of a large group. Don't rely on your memory alone to carry you through the meeting. Forgetting something crucial can have dire consequences in certain situations.

9 Tips For Empowering Your Communication Skills

Good writing and great writing aren't so much distinguished by the breadth of your vocabulary as by the way you choose language that's best suited to the idea or impression you want to generate....

Having good ideas is most of writing well. If you know what you're talking about, you can say it in the plainest words and you'll be perceived as having a good style. With speaking it's the opposite: having good ideas is an alarmingly small component of being a good speaker.

Writing and Speaking - Paul Graham

"Empowering Writers is powerful professional development which gives teachers the confidence and the strategies they need to provide enriched writing instruction to struggling as well as advanced students. Coming out of the training workshop, my teachers are excited to get back to their classrooms and teach writing!"
