The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

Tank Man Captured World History

The photo, taken by AP journalist Jeff Widener, shows a broad, empty street where a man stands in the way of a line of tanks. In this book from the new Captured World History series, Burgan offers a concise, clearly written account of events before, during, and after the June demonstrations as well as a riveting story of how Widener came to take the photo.

Tank Man (Captured World History) - Kindle edition by ...

As tanks rumbled through the streets near Tiananmen Square, a man in a white shirt came suddenly into view. He held up his right hand, like a police officer trying to halt traffic. The first huge tank in a row of four stopped just a few feet in front of the man. The tanks behind it stopped as well.

Tiananmen Square Tank Man photographer Charlie Cole dies ...

Tank Man is the nickname of an unidentified Chinese man who stood in front of a column of tanks leaving Tiananmen Square on June 5, 1989, the day after the Chinese military had suppressed the Tiananmen Square protests by force. As the lead tank maneuvered to pass by the man, he repeatedly shifted his position in order to obstruct the tank's attempted path around him. The incident was filmed and smuggled out to a worldwide audience. Internationally, it is considered one of the most iconic images
