The Authority is reviewing the General syllabuses. For more information see the Syllabus Review section below. The Integrated Science ATAR course enables students to investigate science issues in the context of the world around them. It incorporates aspects of biology, chemistry, geology and physics, and can also include less traditional areas, such as forensic science and biotechnology.

Years 11 and 12 | Integrated Science

Indeed, it is the only well-equipped science college in the whole of the Central Region of Ghana for implementing the 2007 integrated science curriculum. It is, therefore, assumed that NQTs who had their preservice education there have had the benefit of being equipped to deal with challenges in the teaching and learning of integrated science.
