Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.

Telling The Time Ages 7

Ages 7-8: Children should be able to read an analog clock, using 12 hour clocks, 24 hour clocks, and Roman Numerals (I-XII). Children should be able to compare time (by hours, minutes, and even seconds). Children should be comfortable using time-specific vocabulary (o'clock, a.m./p.m., morning, afternoon, noon and midnight).

How to Teach Your Child to Tell Time - Math Genie

Children usually start learning to tell the time by familiarising themselves with simple 'whole hour' times or 'o'clock' times like 1 o'clock, 2 o'clock, 3 o'clock, etc., which provides them with a valuable solid foundation in reading a clock face and understanding the significance of the position of the hour hand and the minute hand.
