A few genres available in eBooks at Freebooksy include Science Fiction, Horror, Mystery/Thriller, Romance/Chick Lit, and Religion/Spirituality.

The Amateurs Mind Turning Chess

By revealing amateurs' mind move by move, Jeremy Silman succeeded in shedding light on the problems in their decision making process. Though I think the problems are more tactical than strategical (say, 70% tactical and 30% strategical), which is on the contrary to the author's opinion, "The Amateur's Mind" is one of the best chess books.

The Amateurs Mind - Turning Chess Misconceptions Into

...

The Amateur's Mind is a bit shorter at 443 pages and, importantly, it is written as a bit of an introductory manual on both chess strategy and psychology. The material and problems are completely approachable for even 1200 level players but are interesting and instructional for at least Class B level players like myself.

Review: The Amateur's Mind - Chess.com

Most amateurs possess erroneous thinking processes that remain with them throughout their chess lives. These flaws in their mental armour result in stinging defeats and painful reversals. Books can be bought and studied, lessons can be taken -- but in the end, these elusive problems always prove to be extremely difficult to eradicate.
