The Awakening: Study Guide | SparkNotes

Kate Chopin's narrative style in The Awakening can be categorized as naturalism. Chopin's novel bears the hallmarks of French short story writer Guy de Maupassant's style: a perceptive focus on human behavior and the complexities of social structures. This demonstrates Chopin's admiration for Maupassant, yet another example of the enormous influence Maupassant exercised on nineteenth-century literary realism.

The Awakening (Chopin novel) - Wikipedia

First published in 1899, this beautiful, brief novel so disturbed critics and the public that it was banished for decades afterward. Now widely read and admired, The Awakening has been hailed as an early vision of woman's emancipation. This sensuous book tells of a woman's abandonment of her family, her seduction, and her awakening to desires and passions that threatened to consumer her.
