Read Book The Consultants Big Book Of Organization

The book was good in terms of a satire of consultants. Some parts were outright funny, such as the consultant telling them how much toilet paper to use per wipe. However the sci fi element didn't do it for me and I was disappointed we didn't find out what BFG stood for.

The Consultant by Bentley Little

McKinsey is one of the best known and well-respected consulting companies in the world, and in this book, one of their former associates lets you in on the secrets to their success. In this marvelous, 208-page book by Ethan M. Rasiel, you'll learn how to help the world's most powerful businesses add value to their customers.
