### The Creative Journal For Children

"The Creative Journal for Children represents the leading edge of learning and where we need to go with our educational system. For the past fifteen years, Lucia Capacchione has been a forerunner in the creation of safe and nonjudgmental learning environments that kindle children's curiosity and encourage them to ask the kinds of questions that lead to greater learning.

### The Creative Journal for Children A Guide for Parents ...

"Lucia Capacchione's Creative Journal for Children provides a safe environment for children to find the buried treasure within: feelings, experiences, intuition, and dreams. Since grades and criticism are not part of her journal method, and sharing is voluntary and nonthreatening, children can relax and enjoy using this journal as a vehicle for self-exploration and expression."

In relation to children, the creative arts are activities that engage a child's imagination and can include activities such as art, dance, drama, puppetry, and music. They stimulate and help children cultivate their abilities across virtually every domain, and they are open-ended activities, fostering flexibility of the mind.
