High School Articulation | Sacramento City College

Articulation, in art and architecture, is a method of styling the joints in the formal elements of architectural design. Through degrees of articulation, each part is united with the whole work by means of a joint in such a way that the joined parts are put together in styles ranging from exceptionally distinct jointing to the opposite of high articulation—fluidity and continuity of joining.

Articulation (architecture) - Wikipedia

Articulation, or more specifically course articulation, is the process of comparing the content of courses that are transferred between postsecondary institutions such as TAFE institutes, colleges or universities. In other words, course articulation is the process by which one institution matches its courses or requirements to coursework completed at another institution.

Articulation (education) - Wikipedia

Articulation, in phonetics, a configuration of the vocal tract (the larynx and the pharyngeal, oral, and nasal cavities) resulting from the positioning of the mobile organs of the vocal tract (e.g., tongue) relative to other parts of the vocal tract that may be rigid (e.g., hard palate). This configuration modifies an airstream to produce the sounds of speech.

High School Articulation Agreements | Quinsigamond ...

Articulation is the production of identity on top of differences, of unities out of fragments, of structures across practices. Articulation links this practice to that effect, this text to that meaning, this meaning to that reality, this experience to those politics. And these links are themselves articulated into larger structures,

Articulation Theory for Beginners

I once had a student transfer from another district with an IEP goal to “produce speech sounds with 90% accuracy”. It didn’t tell me what speech sounds he was working on. My favorite non-standardized tool for gathering articulation data is the free Articulation Screener from Mommy Speech Therapy and Little Bee Speech. It offers a quick ...
