The Interested Eleven The Mad

The Interested Eleven The Mad Stranger Things season 2 saw the gang make space for another girl in their close knit group of friends. New girl, Maxine never tried to fill the Eleven shaped hole left behind in season 1, but she certainly made her mark as "Mad Max". Eleven, on the other hand, got tougher, stronger and even more BADASS.

George Miller's dystopian masterpiece Mad Max: Fury Road owes its existence to the first film in the franchise, the original 1979 Mad Max, but Fury Road looks drastically different to the rest of the franchise. With a diminutive budget and no previous feature-length filmography to speak of, George Miller took an audacious risk to create an action-packed film set in the catastrophic near future.
