The Oil Painting Guide Web

Oil paint is easy to use once you learn the basics. I've taught beginners to masters and I've learned that everything builds on just a few basic concepts that I will show you here. This web site is set up to take you step by step to a finished painting. First learn about the materials you will need to get started. Next learn a little basic information in easy steps. Finally use these concepts as you paint the four exercises with me on your own canvases.

Oil Painting Lessons - Free Oil Painting Lessons and ...

Oil paint is comprised of ground-up colored pigment suspended in a drying oil, usually linseed oil. The quality of oil paint varies based on the quality of the pigment used, how fine the pigment is and the medium which is used. You can make oil paint more fluid by mixing it with more oil, or by adding a solvent, however, this also weakens the paint.
