It talks about the Red Beast in a way that helps normalise the process as well as externalising the anger onto the Red Beast. Externalising can be very helpful to engage a child in trying to manage their anger as they are controlling "The Red Beast" rather than themselves.

Red Beast: Controlling Anger in Children with Asperger's ...
One time he lost his temper. We are talking about "the mark of the beast"—hostility. Anger almost never helps a situation. Now in one place Paul says, "Be angry, and sin not." Hard to do. That is the problem with anger, because sin almost invariably follows on the heels of hostility. Let us go to Mark 3:5, because here we do see Jesus angry.
