The Struggle The Titan Series

The Struggle is the third book in Titan series. I loved this book and seeing the interactions between Seth and Josie. There is always so much action and many surprises to look forward to in Jen's books. I have loved The Covenant series since the day I picked up Daimon, so it's no surprise that I love this series too.

I love the Titan series, and I was so excited to read this book. The Struggle takes place immediately after The Power ends. Seth has left Josie and retreated to the island home he grew up in. Things are entirely different than he remembered them.
