The Thirteenth Step: Addiction in the Age of Brain Science ...

However, the modern day interpretation of 13th stepping, the 13th step of AA, is when an individual whom is already established within the fellowship preys on newcomers to the group. This can be in terms of getting a new member to do unpaid work (volunteering is a healthy part of a recovery plan, but not in order to benefit another member personally), or making sexual advances towards them.

What is '13th Stepping' at Recovery Meetings? The 13th step is not an official part of any 12-Step programme, but it has been named as such due to its regular appearance in AA and other 12-Step groups. When a group member with over a year of sobriety hits on or makes advances towards a newly sober group member, we have what has been dubbed 'the 13th Step'.

13th Step in Addiction Recovery - The Cabin

Making the decision to change is a brave one. Drinking and drug behavior is extremely habitual – even addictive – and can make you feel helpless – but there is a way out.

search - Addiction & Drug Rehabilitation Resources

Thirteenth Step is a concept album about the different aspects and perspectives of addiction, and the recovery from it. The album's title itself is a reference to the 12 step program of Alcoholics Anonymous. Lead vocalist and primary lyricist of the band Maynard James Keenan explained the concept on the band's DVD Amotion, stating:

Thirteenth Step - Wikipedia

The 13th step is when a person with a long time sober befriends a newcomer in AA for the purpose of becoming sexually intimate. A big reason this is unethical and predatory is because newcomers in the rooms: have been abusing alcohol or other drugs for years (or decades)

When yoga becomes the 13th step for someone who is stepping out of addiction and into life again, it's not just about the poses. It becomes more about what the poses do for the person practicing. They become a vehicle for the one on the mat. To feel, breathe, and experience what others talk about as the joys of life.

13th Stepping Defined Simply put, the 13th Step is a colloquial term for when a 12-Step old-timer hits on a group newcomer with less than a year of sobriety. It can be for a variety of reasons — emotional, financial, physical – but either way, it's someone in a position of power trying to take advantage of someone who is weaker.
