The Tourism and Leisure Experience: Consumer and ...

Experience management is seen as the way to remain competitive in markets where globalisation and technology have turned products and services into commodities. This book draws together academic and practitioner insights into the consumer experience by combining the perspectives of the tourist consumer with that of experience managers, supported by examples from tourism, leisure, hospitality, sport and event contexts.

The Tourism and Leisure Experience eBook by ...

Greater attraction to packages and specials: Leisure travelers are always looking for ways to improve their travel experience, which is the reason why they are more drawn to hotel packages than business travelers. Equipped with the mindset of having a great vacation experience, the majority of leisure travelers are looking for hotels that provide them with incentives to stay there than any other hotel.
