Recreating Richard III: The Power of Tudor Propaganda

The House of Tudor was a prominent European royal house that ruled the Kingdom of England and its realms from 1485 until 1603. The author concentrates his study on describing the ways in which the Tudor government actually worked, the people who ran it, the impact that it made upon society, and the reasons for its long survival.

Histories and Contexts. In the autumn term you take two Histories and Contexts (20 credits) modules, choosing from a range of options. These examine either a theme or an issue in relation to a particular period or region, or a way in which historians have approached studying the past. Each is taught through an integrated programme of two lectures and one discussion group a week.
