£9.99 This giant book with fold-out pages is filled with the biggest, longest and most powerful trains ever built, from puffing steam engines and diesel locomotives to high-speed electric trains. Children can discover how the first trains worked, step inside a variety of luxury trains and much more.

“Big book of trains” at Usborne Children’s Books

A colourful picture word book with illustrations of around a thousand everyday words. Words are arranged by theme, providing lots to spot and talk about together. A fun way to build a child’s vocabulary, with delightful pictures to pore over. Listen to all the words read by a British English speaker at the Usborne Quicklinks website.

“Big book of English words” at Usborne Children’s Books

Open up the huge fold-out pages of this vividly illustrated book to discover the remarkable ways the human body works. Explore a giant skeleton, learn how your heart pumps blood, find out what’s inside your head and see what happens to the food you eat. A fun and engaging introduction to a UK National Curriculum subject.

“Big book of the body” at Usborne Children’s Books

The Big Book of The Body is a great informational nonfiction book for children in pre-k-3rd grade. The pages fold out and help the students see each different systems in the body, like the muscular system, skeletal system, and circulatory system.
