Thomas Sowell's incisive critique of the intellectuals' destructive role in shaping ideas about race in America *Intellectuals and Race* is a radical book in the original sense of one that goes to the root of the problem. The role of intellectuals in racial strife is explored in an international context that puts the American experience in a wholly new light.

Intellectuals and Society by Thomas Sowell

Intellectuals and Society by Thomas Sowell. The influence of intellectuals is not only greater than in previous eras but also takes a very different form from that envisioned by those like Machiavelli and others who have wanted to directly influence rulers. It has not been by shaping the opinions or directing the actions of the holders of power ...

Thomas Sowell on Intellectuals. The sound and the fury

...

Intellectuals and Society is a non-fiction book by Thomas Sowell. The book was initially published on January 5, 2010 by Basic Books. Intellectuals are defined as "idea workers" that exercise profound influence on policy makers and public opinion, but are often not directly accountable for the results. Intellectuals and Society examines the record of these idea workers and the conditions, methods and incentives driving their points of view that, according to Sowell, have often resulted in disaster

Thomas Sowell Face Human Liberalism Totalitarianism Those who cry out that the government should 'do something' never even ask for data on what has actually happened when the government did something, compared to what actually happened when the government did nothing.

99 Thomas Sowell Quotes - Inspirational Quotes at BrainyQuote

T. Sowell. Published 2010. Political Science. This title offers a withering and clear-eyed critique about (but not for) intellectuals that explores their impact on public opinion, policy, and society at large. It has not been by shaping the opinions or directing the actions of the holders of power that modern intellectuals have most influenced the course of events, but by shaping public opinion in ways that affect the actions of power holders in democratic societies, whether or not those ...

woodshed. He makes many interesting claims, including this one: "The...

Intellectuals versus Common Sense - American Thinker

In *Intellectuals and Race* (2013), Sowell argues that intelligence quotient (IQ) gaps are hardly startling or unusual between, or within, ethnic groups. He notes that the roughly 15-point gap in contemporary black-white IQ scores is similar to that between the national average and the scores of certain ethnic white groups in years past, in periods when the nation was absorbing new immigrants.
