In Baptists and the Christian Tradition, editors Matthew Emerson, Christopher Morgan and Lucas Stamps compile a series of essays advocating "Baptist catholicity." This approach presupposes a critical, but charitable, engagement with the whole church, both past and present, along with the desire to move beyond the false polarities of an Enlightenment-based individualism on the one hand and a pastiche of postmodern relativism on the other.

I recently read Steve Harmon's Toward Baptist Catholicity: Essays on Tradition and the Baptist Vision. I'm beginning some sustained work with my friend and colleague Luke Stamps on Baptist life and its relationship to the larger Christian tradition, and Harmon's collection of essays is one of the most prominent works on the subject. In this post I hope to affirm much in Harmon's book, but also offer some pointed questions and critiques from a different perspective (i.e. conservative ...

Steve Harmon and Baptist Catholicity | Biblical Reasoning

Towards Baptist Catholicity is a collection of various essays, most of which come out of prior papers and lectures Harmon presented, now collected together and reworked to be coherent around a single topic: the inherent value in Baptists recovering tradition (particularly from patristic sources) as a source of authority and direction to bring revitalization to the Baptist vision and movement. Harmon demonstrates how early Baptists sought to maintain a connection to antiquity and included ...
