Tv Guide On Screen Interactive

The interactive, on-screen guide helps you find TV and ON Demand listings, view program details and record shows. Customize your on-screen guide colors and icons, and automatically tune into the HD version of a channel. This guide is available on Midco digital receivers and DVRs, which guide recording options for DVRs only.

iGuide On-Screen TV Guide | Midco Cable TV Support

An electronic program guide or EPG is an interactive screen guide found on set-top boxes, mobile apps and websites. It is best known as a "TV Guide" that cord-cutters and streamers use for live television. In addition, IPTV subscribers often use an EPG when surfing or browsing through their various channel options.

Electronic Program Guide or EPG - Everything You Need to Know

On-Screen TV Guide This page covers the interactive, on-screen guide for Midco non-TiVo DVRs, as well as HD and standard digital receivers. We cover other TV guides for TiVo® devices and HD digital adapters. Your interactive guide (iGuide) gives you the opportunity to look for your favorite programs up to seven days in advance on any channel.

Amazon.com: TV Guide

Electronic programming guides and interactive programming guides are menu-based systems that provide users of television, radio and other media applications with continuously updated menus that display scheduling information for current and upcoming broadcast programming. Some guides also feature backward scrolling to promote their catch up content. They are commonly known as guides or TV guides. Non-interactive electronic programming guides are typically available for television and radio, and

Electronic program guide - Wikipedia

Re: interactive tv guide too small to read I would agree with the 6-15 foot distance. However, now with high definition, movie producers seem to take more liberties and show screen shots of cellphone text messages and little notes, etc, that I can't make out without pausing and zooming or getting up closer.
