Useful Work Versus Useless Toil

Useful Work versus Useless Toil By William Morris The above title may strike some of my readers as strange. It is assumed by most people nowadays that all work is useful, and by most well-to-do people that all work is desirable. Most people, well-to-do or not, believe that, even when a man is doing work which appears to be useless, he is earning his livelihood by it - he is "employed," as the phrase goes; and most of those who are well-to-do cheer on the happy worker with congratulations and ...

William Morris - Useful Work versus Useless Toil

This book presents four essays; Useful Work versus Useless Toil, Gothic Architecture, The Lesser Arts and How I Became a Socialist. Of the four, the first is the most current. In it, William Morris defines the nature of 'good' work - being the hope of rest, the hope of useful product and the hope of pleasure in the work.

Useful Work v. Useless Toil (Penguin Great Ideas): Amazon ...

One hundred and twenty-six years after Morris gave a lecture entitled “Useful work versus useless toil” to a group of workingmen in London, little has changed except perhaps that the amount of waste and useless toil has grown exponentially.

Useful work versus useless toil revisited - Resilience

Useless toil vs. useful work. William Morris - the 19th century designer, poet, writer and painter - carefully distinguished between what he termed useless toil and useful work. He reasoned that useful work had to engage both the mind and the senses and that, for that reason, an enjoyable occupation shared many characteristics with play and games.

Useless toil vs. useful work - Shooting Azimuths

The book, “Useful Work versus Useless Toil”, was written in 1884, by the illustrious William Morris; at least three years before the first Arts and Crafts exhibitions were proposed and long before there was such a thing as an “Arts and Crafts Movement”. It is a remarkable work, notable for its prescience, clarity and crisp, lucid argument.

A Modern Interpretation of “Useful Work versus Useless Toil”

Most people nowadays assume that all work is useful and desirable and that even when someone is doing work which seems useless, they are earning their livelihood and deserve congratulations and praise. It has become an article of faith that all labour is good in itself; a convenient belief for those who live off the labour of others.
