There was a time when V. S. Naipaul, reporting on the growth pains of the postcolonial world, was a favorite of the literary establishment. There was something eye-opening about the essays that began appearing in 1969 in the U.S. in The New York Review of Books, whether the subject was black power in the Caribbean, the terror and the banality in Argentina, ethnic bloodletting in Africa, or the wretchedness of India.

Article excerpt. V.S. Naipaul's A Bend in the River (hereafter ABR) clearly is not the kind of book one would want to read just before going to Africa. Its narrative action (in essence, the experiences of Salim, an Indian merchant, in a Zaire-like country in the 1960s and 1970s) captures Africa's often depressing reality and, most importantly, points toward what Naipaul wants us to see as the destiny of Africa and, by extension, the third world.
