The city of Dresden similarly has some buildings that still show war damage as a memorial. The villages of Oradur-sur-Glane in France, and Lidice in the Czech Republic both serve as open air memorials to the war crimes committed there.

Are there any places in Europe still damaged from WWII ...

After World War II much of Europe was destroyed. Armies from both sides had bombed roads, bridges, supplies, and communication facilities throughout Europe. Europe needed to rebuild. This was not easy however. Many governments were in debt or out of money because they had used all their resources in fighting the war.

World War II History: WW2 Recovery and the Marshall Plan ...

War was increasingly mechanized from 1914 and produced casualties even when nothing important was happening. On even a quiet day on the Western Front, many hundreds of Allied and German soldiers died. The heaviest loss of life for a single day occurred on July 1, 1916, during the Battle of the Somme, when the British Army suffered 57,470 casualties.
