Who Really Cares. Brooks's first book was published in 2006 with Who Really Cares: The Surprising Truth about Compassionate Conservatism. Originating in his research on philanthropy and drawing on survey data, he articulates a charity gap between the 75% of Americans who donate to charitable causes and the rest who do not. Brooks argues that there are three cultural values that best predict charitable giving: religious participation, political views, and family structure. 91% of people who ...
