Documentation - WorkCentre 3225 - Xerox

This manual is part of a multinational service documentation system that is structured in the standard Xerox service manual format. The service manual is the document used as the primary information source for repairing and maintaining this family of products and is available as EDOC on a CD-ROM, or as a bookmarked PDF on CD-ROM. The information within the manual is divided into an introduction and eight other sections. Contents: 1. Service Call Procedures.
